

SmartSentinels Terms and Conditions

Effective Date:

01.08.2025

Overview

This Disclaimer (“Disclaimer”, “Notice”) outlines the risks and limitations associated with your use of the SmartSentinels platform, including its website, services, \$SSTL token, NFTs, smart contracts, AI agents, and all other related tools and infrastructure (collectively referred to as the “Platform”).

By using or interacting with any part of the Platform, you expressly acknowledge and agree to this Disclaimer in full.

1. No Financial or Investment Advice

Nothing contained on the Platform constitutes or should be interpreted as:

- Financial advice
- Investment advice
- Legal advice
- Tax advice
- Trading recommendations

You should not interpret any content, communication, documentation, or token-related materials as a solicitation to invest or an offer to sell securities. Always consult a licensed financial advisor before making any financial decisions.

2. \$SSTL Token and NFTs

The **\$SSTL token is a utility token**, designed to power a decentralized AI ecosystem via Proof of Useful Work (PoUW). It is **not a security**, **not an equity**, and **not a promise of future returns**.

The SmartSentinels NFTs are **digital collectibles** that represent access or participation rights in the PoUW network. They are **not investment contracts**.

We make no guarantees regarding:

- The current or future value of \$SSTL tokens or NFTs
- The liquidity or market availability of these assets
- Any rewards, passive income, or staking yields

You accept full responsibility for understanding these assets before interacting with them.

3. Risk Acknowledgement

By participating in the SmartSentinels ecosystem, you accept and understand the inherent risks of:

- **Volatility** of cryptocurrencies and digital assets
- **Loss of private keys**, passwords, or wallet access
- **Smart contract exploits, bugs, or failures**
- **Regulatory changes** that may affect your ability to use the Platform
- **Loss of funds** due to human error, hacks, or blockchain issues
- **Downtime** of AI agents or device malfunctions

SmartSentinels does not guarantee uptime, token generation, network reliability, or the continuous availability of any service.

4. No Guarantees or Warranties

All services, software, and assets provided by SmartSentinels are offered **“as is”** and **“as available”** without warranties of any kind, either express or implied.

We **do not guarantee**:

- Platform availability or uptime
- Accuracy or reliability of AI outputs
- Future performance of tokens or services
- That the Platform will be free of bugs, errors, or security vulnerabilities

5. No Legal or Tax Liability

SmartSentinels, its founders, developers, affiliates, and partners:

- **Are not responsible** for ensuring your compliance with local laws
- **Are not liable** for any tax obligations you may incur
- **Are not responsible** for your use of the Platform in restricted jurisdictions
- **Do not offer legal guidance** for token use, NFT ownership, or crypto holdings

You are solely responsible for understanding and complying with all applicable laws and regulations in your jurisdiction.

6. Limitation of Liability

To the fullest extent permitted by law, **SmartSentinels and its founders and contributors shall not be held liable** for any losses, damages, or liabilities, whether direct or indirect, arising from:

- Your access to or use of the Platform
- Errors, bugs, exploits, or issues with smart contracts
- Delays, downtimes, or service failures
- Acts or omissions by third-party platforms or wallets
- Loss of tokens or NFTs for any reason

Use the Platform at your **own risk**.

7. Third-Party Tools and Integrations

SmartSentinels may integrate or interact with third-party wallets (e.g. MetaMask), blockchains (e.g. BNB Chain), or services (e.g. PayPoint, Civic ID). We do **not control or guarantee** the performance or security of any third-party service.

You are responsible for understanding the terms of use and risk associated with each third-party provider.

8. Forward-Looking Statements

Some content on the Platform may contain **forward-looking statements**, including roadmaps, development goals, and ecosystem growth projections.

These statements are **subject to change** and do not represent binding promises or guarantees. Actual outcomes may differ materially due to unforeseen technical, legal, market, or community factors.

9. Jurisdiction & Legal Compliance

This Platform is not intended for use in jurisdictions where crypto activities or decentralized technologies are prohibited.

If you access the Platform from such a jurisdiction, **you do so at your own risk**, and you are **solely responsible** for compliance with your local laws.
